LINGA POS

3. After clicking the add advertisement, new Advertisement page opens.

| Advertisement | | | | | | |
|-----------------------------|---------------------------|---------|---|--|--|--|
| Name * | | Image * | | | | |
| Applicable Time Period * | Always | | | | | |
| Level | Stores • | | | | | |
| Stores * | New Store X Multi store X | | * <i>For best resolution use 1252 x 1536 px</i> Select Image | | | |
| Close Save | | | | | | |

- 4. Provide the **Name** for the advertisement, **Applicable Time Period**, **Level** and **Store names/Group names** based on the settings.
- 5. Click on Select Image to upload the image. (For best resolution use 1252 * 1536 px)
- 6. After uploading the image, Click on **Save** button to add the image.
- 7. Once the image is added, the user can edit/delete the images in the advertisement tab.
- 8. Now, go to Linga POS application and do "Sync with BO".
- 9. Once the sync is done, the Advertisements added will be reflected in the Linga CDS application.
